OBJECTIVE

Highly motivated and skilled Software Developer with 1+ year of experience in developing web applications. Proficient in React, React Native, JavaScript, Python, Django, HTML, CSS, TailwindCSS, MySQL, and Node.js. Seeking a challenging position where I can utilize my technical expertise to contribute to innovative projects and further enhance my skills in software development.

EDUCATION

Master in Computer Application, MIT World Peace University 2021 - 2023
8.9 CGPA

Bachelor of Computer Science, Jaihind College University 2017 - 2020

SKILLS

Technical Skills React, Next.js, React Native, Javascript, Python, Django, HTML, CSS, TailwindCSS, MySQL.

EXPERIENCE

React Developer March 2024 - Present
CGS Techlabs *Pune, MH*

- Contributed to a B2B Restaurant Management System, developing subscription-based features like reservations, guestbook, floorplan, and reports.
- Led the full lifecycle of key modules, from design to deployment, ensuring alignment with project goals and client needs.
- Built front-end features using React, Next.js, MUI, JavaScript, CSS, and Tailwind CSS, delivering user-focused solutions.
- Worked on developing a similar application for iPad using React Native, optimizing the efficiency of restaurant work.

Software Developer Intern Dec 2022 - May 2023
bluCognition *Pune, MH*

- Throughout my 6-month internship as a Software Developer at BluCognition, I actively contributed to the enhancement of features and resolution of bugs on both frontend and backend utilizing technologies such as JavaScript, Python, React and Django. I also independently managed a project within BluCognition's portfolio, showcasing my ability to take on project responsibilities effectively.
- Successfully implemented and integrated new features into BluCognition's existing web applications, enhancing user experience and functionality.

PROJECTS

Arun Art Exports.

- I have actively participated as a Developer in a dynamic project focused on developing and deploying a comprehensive web application. This experience has afforded me the valuable opportunity to make substantial contributions to both the frontend and backend aspects of the application, showcasing my proficiency across multiple technical domains.
