RANA **VAIBHAVI**

Junior UIUX Designer

Ahmedabad, Gujarat | vaibhavirana2002@gmail.com | +91 8200263244

ABOUT ME

I'm a passionate UI/UX designer dedicated to creating digital experiences that are both visually appealing and highly functional. I believe technology should be accessible and user-friendly, and I aim to design solutions that enhance usability and engagement. With a strong curiosity for learning, I'm always eager to expand my skills and stay updated with the latest design trends and innovations.

EXPERIENCE

MAY 2023 - PRESENT

CodeFencers Private Limited

Junior UIUX Designer

- Collaborated with the project coordinator and development team to design user-friendly UI/UX solutions for mobile and web applications.
- Created wireframes, prototypes, and interactive designs while ensuring functionality, consistency, and visual appeal.
- Followed a structured design process, focusing on user flows and visual improvements based on project requirements and feedback.
- Worked on : Mobile app UI designs (iOS & Android), Website and dashboard UI/UX design, User flows and wireframing, Banner and Posts.
