Ms. Neha Lavoo Gunjal

Software Developer

+91 9172396279 | nehagunjal0@gmail.com | www.linkedin.com/in/neha-gunjal

PROFESSIONAL SUMMARY:

Dynamic and detail-oriented React and Node.js developer with 3.11 years of experience delivering scalable full-stack solutions and modernizing legacy WordPress sites. Proven expertise in designing intuitive user interfaces, optimizing back-end systems, and enhancing application performance. Adept at collaborating in agile environments, driving automation, and ensuring regulatory compliance. Recognized for proactive problem-solving and commitment to delivering high-quality solutions on time.

TECHNICAL EXPERIENCE:

- **Frontend:** ReactJS, Redux, JavaScript (ES6+), TypeScript, HTML5, CSS3, Bootstrap
- **Backend:** NodeJS, Express.js
- **Database & Query languages**: MongoDB, MySQL, NoSQL
- **WordPress:** PHP, Elementor, WP Offload Media, WooCommerce, Advanced Custom Fields (ACF)
- **AWS Services:** AWS (EC2, S3, CloudFront, Route53, CloudWatch), CI/CD
- **Tools:** Git, GitHub, NPM, Visual Studio Code IDE, Eclipse
- **Others:** RESTful APIs, GraphQL, Agile/Scrum, WordPress-to-React migrations

WORK EXPERIENCE:

Accenture Services Private Limited, India *Feb'2021 - Present*
Custom Software Engineering Analyst

Project Name: Global Pharmaceutical Company

Duration: February 2021 to Present

Roles and Responsibilities:

- Developed React-based single-page applications (SPAs) with Redux, boosting user engagement by **40%**.
- Spearheaded the migration of 10+ WordPress websites to React and Node.js, improving performance by **35%**, reducing page load times by **50%**, and enhancing customization capabilities.
- Built scalable RESTful APIs and implemented back-end services using Node.js and Express.js, streamlining data interactions.
- Led automation solutions to reduce manual effort, improving operational efficiency and cutting task turnaround times.
- Integrated and managed Adobe Analytics and Google Analytics for tracking web properties, ensuring accurate configuration and actionable insights.
- Executed and deployed WordPress site packages, performed version upgrades for 64+ websites, and implemented content modifications aligned with business objectives.
- Proactively identified and resolved vulnerabilities, maintaining **100% SLA compliance** for service tickets and requests.
- Monitored AWS resource utilization weekly and utilized the Brightcove platform for video management, including uploading and thumbnail customization.

CERTIFICATIONS:

- Microsoft Certified: Azure Fundamentals (AZ900)
- Scrum Foundation Professional Certificate (SFPC)
- MongoDB SI Associate
- Microsoft Certified: Security, Compliance, and Identity Fundamentals (SC900)
- AWS Certified Developer - Associate (DVA-C02)
- MongoDB SI Architect

ACHIEVEMENTS:

- Migrated 10+ WordPress sites to React and Node.js, resulting in better scalability and performance.
- Achieved a 98% client satisfaction rate for WordPress customizations and React-based solutions.
- Improved page load times by an average of 45% through modern development practices.
- Received the **ACE (Excellence) Award** for outstanding performance.
- Received Recognition for Executing inventing strategies.

EDUCATION:

Degree Institution	Board	Period of Study	Percentage/CGPA
BE (Computer Engineering)	Savitribai Phule Pune University(SPPU)	2016-2020	7.57 CGPA
12th	Maharashtra state board(HSC)	2014-2016	65.85%
