PROFESSIONAL SUMMARY

Frontend Developer with strong experience in building responsive, user-centric web applications using React.js and Next.js. Skilled in translating UI/UX designs into scalable, high-performance interfaces. Passionate about writing clean, reusable code and delivering seamless digital experiences

EDUCATION

U.V. Patel College Of Engineering, Ganpat University, Kherva
Bachelor's, Computer Engineering

August 2021 - May 2025
GPA: 7.0

PROFESSIONAL EXPERIENCE

WildMind AI

September 2025 - Present

UI UX Designer and Frontend Developer

Ahmedabad, GJ, India

- At WildMind AI, I design and develop intuitive, scalable user experiences for a generative AI platform
- I work across the full UI/UX process—from user research, wireframing, and high-fidelity prototyping to building responsive, performance-optimized front-end interfaces.
- Developed generic, reusable components using React.js and Next.js, leveraging modern UI libraries to ensure responsive design, accessibility compliance, and high code reusability, resulting in faster and more efficient project delivery.

vnnovate solutions pvt ltd

January 2025 - June 2025

UI/UX Intern

Ahmedabad, GJ, India

- Led the redesign of the official Vnnovate Solutions website as part of a strategic UX improvement project
- Created high-fidelity prototypes in Figma focusing on modern aesthetics, usability, and responsiveness
- Developed responsive frontend layouts using HTML, CSS, and Bootstrap without custom CSS
- Improved website structure and user flow to enhance engagement and performance.

vnnovate solutions pvt ltd

December 2023 - January 2024

Python Development Intern

Ahmedabad, GJ, India

- Developed a facial recognition system using OpenCV, Python, and Firebase
- Integrated core libraries like CVZone to enhance system performance
- Successfully completed the project, showcasing strong technical skills
- Tech Stack: OpenCV, Python, Firebase, CVZone, other Python libraries.

PROJECTS & OUTSIDE EXPERIENCE

Next Mystery Messages

Frontend Developer

- Designed and implemented responsive UI/UX components to improve usability and user engagement.
- Designed and developed a complete end-to-end messaging workflow, including UI implementation and deployment, showcasing frontend engineering skills.

CERTIFICATIONS
